

# Data entry form

The data entry form is also available as a PDF file to be filled in directly and sent to [www.submikron.com](http://www.submikron.com).  
Alternatively, you can email us the form at [bierther@submikron.com](mailto:bierther@submikron.com)

## Customer

Company	
Address	
Contact person	
Phone	
Fax	
E-mail	

## Workpiece

Material	
Hardness	
Dimensions	

## Initial state

Flatness	
Roughness value (Ra)	
Thickness (under 3 mm edge height Consultation with the workshop management)	
Plane parallelism	
Surface (matt, glossy, etc.)	
Finishing stage (coating, etc.)	

## Final state

Flatness	
Roughness value (Ra)	
Thickness (under 3 mm edge height Consultation with the workshop management)	
Plane parallelism	
Surface (matt, glossy, etc.)	
Finishing stage (coating, etc.)	

## Manufacturing

Number of pieces (per week/month/year)	
Machine running time per year	
Automation required	

## current processing

Lapping wheel/polishing cloth type	
Lapping/polishing agent type	
Machine type	

Please also state if a value is not relevant (e.g. plane parallelism).
